## Foreword

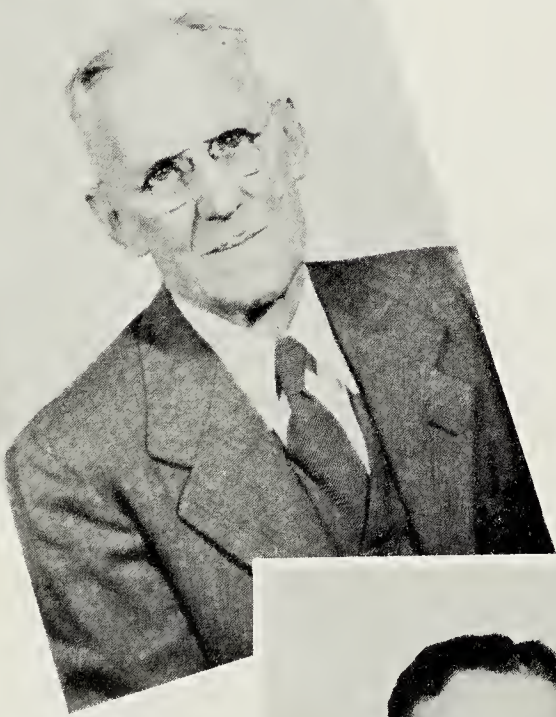

On the pages of this book is written the story of one of the happiest years of our lives. The Beacon Staff of 1952 invites you to join us in reliving these experiences. As you delve through the pages, may your enjoyment equal ours.

A school system has every right to be as good as its administrative personnel. Through cooperative efforts of County Superintendent, Henry A. Wise, Local Board Chairman, Granville C. Northam, Clerk, O. W. Obaugh, and Member, Dr. Thomas N. Jacob; Onancock High School has added a business education course, full-time instruction, an athletic coach, a third foreign Language, a higher mathematics course, a top level science department, and a guidance department. Our physical plant has been kept in excellent repair. We, the Seniors of '52, take pride in dedicating our Annual, "The Beacon", to the School's Administrative Personnel.

## '51 Gridiron

The Onancock Blue Devils finished an exciting '51 Gridiron season, battling heavier and more experienced teams in every engagement, taking third place having won four games, tied two, and lost three. The light and inexperienced eleven developed a hard hitting defense to reduce these odds and hold the opposition to minor scores. The season as a whole was satisfactory and the team of '52 should be one of the best.

Leave a place for
